

Indus Valley Sustainable Living

April 2011 – Happy Earth Day

News

- We have been busy planting our veggie garden. Tomatoes, Potatoes, Onions, Okra, Egg plants, all kinds of Peppers, and lot of Herbs n Greens. Looking forward to productive garden. Students love it when they get to go out and pick the vegetables for our “Vegetarian Farm to Fork Cooking Class”.

- Thanks everyone who stopped by our booth at the “Woodlands & Wildlife Expo” and told us that they watched us on Yolanda Green show. Here is the link for the Clip from the program. Come by for the next class on Apr10th.

- We need Volunteers to walk the dogs during the parade on Apr 2nd for Paw Party at The Plaza. Please call if you can help—832-277-3577

Re-Skilling Classes

In our enthusiasm to become bigger and better society we have been modernizing, learning new skills, finding new technology. We have been going as fast as we can without looking back, until recently. When natural disaster like hurricanes made us realize that we are too dependent on others for our food, water & energy. We are no longer self sufficient & don't know how to take care of ourselves if something happens to stop our supply. We have forgotten the skills our ancestors had. Re-Learn the skills that made our ancestors self sufficient through our Re-Skilling Classes.
